THIS DOCUMENT RELATES TO:

ALL ACTIONS

Pending before the Court are administrative motions to file under seal and various motions to remove incorrectly filed documents. The Court GRANTS IN PART and DENIES WITH PREJUDICE IN PART the administrative motions to file under seal and GRANTS the motions to remove incorrectly filed documents for the reasons stated below.

I. ADMINISTRATIVE MOTIONS TO FILE UNDER SEAL

A. Class Certification Briefing

The parties filed numerous administrative motions to file under seal in connection with the briefing on Plaintiffs' Supplemental Motion for Class Certification. The Court granted in part and

1 denied in part these motions on March 14, 2014. *See* ECF No. 730. Some of the denials were
 2 without prejudice to Defendants' narrowing of requests that the Court found overbroad.

3 Defendants filed a renewed administrative motion to file under seal the documents
 4 regarding which the Court denied without prejudice previous administrative motions to file under
 5 seal. *See* ECF No. 773. Applying the "good cause" standard set forth in this Court's March 14,
 6 2014 order, *see* ECF No. 730 at 1-3, the Court rules as follows on the renewed motion:¹

B. Summary Judgment and *Daubert* Briefing

Defendants also move to seal various documents related to the summary judgment and *Daubert* briefing. See ECF No. 790.² Defendants concede that these documents may only be sealed if compelling reasons support sealing. *Id.* at 2. This Court has described the “compelling reasons” standard as follows:

Historically, courts have recognized a “general right to inspect and copy public records and documents, including judicial records.” *Nixon v. Warner Commc’ns, Inc.*, 435 U.S. 589, 597 & n.7 (1978). “Unless a particular court record is one ‘traditionally kept

² Defendants had initially filed broader requests. At the hearing on the summary judgment and *Daubert* motions, Defendants voluntarily agreed to withdraw previous requests and to file this narrower request. Because Defendants have already had an opportunity to narrow requests, all denials are with prejudice.

secret,’ a ‘strong presumption in favor of access’ is the starting point.” *Kamakana v. City and Cnty. of Honolulu*, 447 F.3d 1172, 1178 (9th Cir. 2006) (quoting *Foltz v. State Farm Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1135 (9th Cir. 2003)).

To overcome this strong presumption, a party seeking to seal a judicial record must articulate “compelling reasons supported by specific factual findings that outweigh the general history of access and the public policies favoring disclosure.” *Id.* at 1178-79 (internal quotation marks and citations omitted). “In general, ‘compelling reasons’ . . . exist when such ‘court files might have become a vehicle for improper purposes,’ such as the use of records to gratify private spite, promote public scandal, circulate libelous statements, or release trade secrets.” *Id.* at 1179 (citing *Nixon*, 435 U.S. at 598). “The mere fact that the production of records may lead to a litigant’s embarrassment, incrimination, or exposure to further litigation will not, without more, compel the court to seal its records.” *Id.* (citing *Foltz*, 331 F.3d at 1136).

ECF No. 730 at 1-2. Applying the “compelling reasons” standard, the Court rules as follows on Defendants’ motion to seal documents related to the summary judgment and *Daubert* briefing:
